West Point and Annapolis.

NAVY TIES THE SERIES

A goal from placement by Halfback Dalton from the 30-yard line in the last few minutes of play gave the Navy a great victory over the Army on Franklin Field, Philadelphia, yesterday afternoon, tying the series between West Point and Annapolis. It was the only score made in the contest, which was hard fought from start to finish. Annapolis was the more aggressive and had the West Point team almost continually on the defensive The Army never had a fair chance to score, while the Navy had at least half a dozen opportunities to tally a score by means succeeded once, which proved to be enough. It was a clean game and little time was taken out because of injuries to the players.

PHILADELPHIA, Pa., November 26 .the red flag, and continued their evolu- That old rule which teaches that if one cares to succeed he must try, try again was forcibly brought to mind on Franklin Field this afternoon, when the Navy, in a hard and clean game of foot ball and before a large and enthusiastic throng, defeated its old rival, the Army, by the score of 3 to 0. After six attempts to boot the ball from placement over the West Point goal line Dalton, the sturdy halfback of the midshipmen's team, succeeded on his seventh effort. The three points which he had been striving for looked good to the Navy and proved to be nouncement of their surrender they pro- sufficient to win the game. It was a pretty ceeded out into the bay and re-entered kick, squarely between the goal posts, and was made toward the end of the last period of play. The kick almost broke the Army's heart, but true to the traditions of the teams that have fought for West Point the Army stuck to it

and did not show the white feather. The Navy deserved the victory, for the midshipmen put up a sterling game and outplayed the cadets from the initial

Of Dalton's seven attempts at goal from from 39, and one mighty effort 51 yards from the Army goal. All but three of his kicks carried to the goal line, but the across the field, carried the ball to one side of the goal posts. Dean, the star punter of the Army, made two attempts at field goals, one from the 44-yard line

and the other at 45 yards, but neither kick came near a score.

Ground-Gaining Difficult. The frequency with which resort was nade to this method of attempting to score was because of the difficulty each ently. Comparatively few first downs vantage there was in this respect was a fine offensive game, and there were few times throughout the sixty minutes of
